Newsletter- Issue 3- December 2011

Season's Greetings!

From all here at Broomhill Nursery Charity Ltd. We are delighted to announce that since the last newsletter in July another £2,200 of aid has been given by The Broomhill Nursery Charity Ltd. This aid is vital to families with children under 5 years of age, in Aberdeen city who find themselves in a crisis situation.

Thank You

We would like to take this opportunity to thank all those who donate both time and money to Broomhill Nursery Charity Ltd. Without you the charity could not help so many families.

In particular we would like to thank the staff at The Broomhill Nursery who give their time and energy so generously. Your continued support is much appreciated.

Special thanks also to Christine Masson who continues to work tirelessly as a link between the charity and the NHS.

Can You Help?

New Friends of the charity are always welcome and needed. If you wish to raise funds or make a donation please contact us at:

Testimonial:

"As a Health Visitor in Aberdeen City I work with many families who provide for their family what they can, income is often very tight. When a large item like the cooker or washing machine breaks, it is impossible to be able to afford such an item on such a very small budget that leaves no money at the end of the week. They are essential items that any family would struggle

without and can limit the quality of life for their children. Imagine, without a cooker trying to cook nutritious meals for all your family, hand washing all your clothes?

I cannot begin to tell you what a relief for a family to know that someone is able to help, and one of the most important things about Broomhill Charity is the speed in which help is available. Broomhill Charity and all who donate to it have helped many families in difficult situations continue to provide for their family."

- LL, Health Visitor Aberdeen City Centre

Somebody Cares Trust UK

80 Summerfield Drive, Aberdeen AB15 6EE

This Charity is invaluable to vulnerable people in Aberdeen. Health Visitors depend on it, using it to provide for families during crisis situations. 'Somebody Cares' always needs children's clothes, toys and nursery equipment.

If possible please give any items outgrown by your child to this wonderful charity. Items should be taken to their premises at Summerhill, however if you cannot do so, please take items to any Broomhill Nursery and we will arrange delivery.

Aberdeen Students Charity Campaign

We are delighted to have the invaluable input from Rachel Snipe, a final year law undergraduate from Aberdeen University, on our charity

committee this year. She has been instrumental in securing the funding from ASCC and has great plans for future funding applications.

We anticipate receiving a cheque for £1000 from the ASCC.
